RE: Request for Waiver of Late Charge
Penalty for FY 2001 Regulatory Fees
Fee Control No. 00000RROG-02-072

Dear Ms. Bohnsack:

This is in response to the request for waiver of the late charge penalty for late payment of Fiscal Year (FY) 2001 regulatory fees, filed on behalf of Bohnsack Strategies, Inc., licensee of KLYC-AM.

In your request, you state that the regulatory fee notice did not arrive by mail, and that you did not realize that it was your responsibility to check online for regulatory fee information. The Communications Act of 1934, as amended, requires the Commission to assess a late charge penalty of 25 percent on any regulatory fee not paid in a timely manner. It is the obligation of the licensees responsible for regulatory fee payments to ensure that the Commission receives the fee payment no later than the final date on which regulatory fees are due for the year. Your request does not indicate or substantiate that Bohnsack Strategies met this obligation. Therefore, your request for waiver of the late charge penalty for late payment of the FY 2002 regulatory fee is denied.

Payment of Bohnsack Strategies' \$168.75 late fee is now due. The late charge penalty must be filed together with a Form 159 (copy enclosed) within 30 days from the date of this letter. If you have any questions concerning this matter, please contact the Revenue & Receivables Operation Group at (202) 418-1995.

Sincerely,

Mark A. Reger

Dear Ms. Pride,

Payment of \$675.00 for the KLYC-AM 2001 regulatory fee has been mailed to the commission. I respectfully request that the **25%** penalty of \$168.75 be waived, however.

Since a notice didn't arrive by mail, I didn't realize it was my responsibility to check online for regulatory fee information and deadlines. Obviously I will be diligent about this in the future; I've already downloaded information so the **2002** fee will be paid on time.

Please consider waiving the \$168.75 penalty fee; I will follow-up soon.

Sincerely,

Laurel Bohnsack
Bohnsack Strategies, Inc.
